

Customized Size Stainless Steel Seamless Pipes 1.2mm 304 316 Super Duplex

Our Product Introduction

for more products please visit us on stainless-steelseamlesspipe.com

Basic Information

- Place of Origin: Wenzhou
- Brand Name: ZHE HENG
- Certification: ISO9001, CE BV
- Model Number: 304, 304L, 304N, 304LM, 316
- Minimum Order Quantity: 500 kg
- Price: \$1000-4200/Ton
- Packaging Details: Export sea worthy packing with each bundle tied and protected, Or as to clients' requirements.
- Delivery Time: 30-45 work days
- Payment Terms: L/C, T/T, D/P
- Supply Ability: 1000+

Product Specification

- Term Name: Super Duplex Stainless Steel Pipes
- Shape: Round Pipe
- Technique: Cold Rolled
- Thickness Tolerance: 1.2mm 1.5mm 2mm
- Length: 1000mm-12000mm
- Size: As Per Requirement
- Welding Line Type: Seamless/welded
- Packing: We Can Negotiate
- Highlight: Customized Stainless Steel Seamless Pipes, 1.2mm 304 Stainless Steel Pipes, 1000mm Stainless Steel Pipes

Product Description

Product Description

Overview:

The 2507 Super Duplex Stainless Steel Pipe is a super duplex stainless steel containing 25% chromium, 4% molybdenum and 7% nickel, designed for harsh applications requiring excellent strength and corrosion resistance, such as chemical processing, petrochemical and seawater equipment. The steel has excellent resistance to chloride stress corrosion cracking, high thermal conductivity and low thermal expansion coefficient.

Super dual phase tubing is mainly used in seawater environment, petrochemical industry, fertilizer industry, oil refining industry, oil and gas industry, light industry, pulp industry, energy and environmental protection industry.

Stainless Steel Seamless Pipe Chemical Component:

Chemical Composition about stainless steel pipe

Grade	C ≤	Si ≤	Mn ≤	P ≤	S ≤	Ni ≤	Cr ≤
201	0.12	0.75	7.00	0.045	0.045	1.00-1.28	13.70-15.70

FAQ:

Q: Are you a manufacturer or merely a trader?

A: We are group of companies and owned manufacturer bases and trading company. We specialized in special steel which include alloy structural steel and carbon steel and stainless steel, etc. All material are with high quality and competitive price.

Q: How do you guarantee the quality of your product?

A: Firstly, we can provide the certificates from the third party, such as TUV, CE, if you need. Secondly, we have a complete set of inspection system and every process is checked by QC. Quality is the lifeline of enterprise survival.

Q: Delivery time?

A: We have ready stock for most of material grades in our warehouse. If the material don't have stock, the delivery lead time is about 5-30 days after receiving your prepayment or firm order.

Q: What is the payment term?

A: T/T or L/C.

Q: Can you provide a sample for our testing before confirm the order?

A: Yes. We can provide sample to you for approval before you place an order to us. Free sample is available if we have stock.

Q: Can we visit your company and factory?

A: Yes, warmly welcome! We can book the hotel for you before you come to China and arrange our driver to our airport to pick you up when you come.
