Customized Seamless Stainless Steel Welded Pipe Tube 316 316L 2205 2200mm

Our Product Introduction

for more products please visit us on stainless-steelseamlesspipe.com

Basic Information

- Place of Origin: Wenzhou,China
- Brand Name: ZHE HENG
- Certification: BV, PED, ISO9001
- Model Number: ASTM316,ASTM316L
- Minimum Order Quantity: 500 kg
- Price: \$1000-4200/Ton
- Packaging Details: As to clients' requirements Wooden Cases Bundle Packin
- Delivery Time: 30-45 work days
- Payment Terms: L/C, T/T, D/P, D/A
- Supply Ability: 1000+

Product Specification

- Term Name: Stainless Seamless Steel Pipe
- Material Grade: ASTM316,ASTM316L
- Shape: Rounde Pipe,Square Pipe,Rectangular Pipe
- Technique: Cold Rolled,Pickling
- Length: 2200mm Or 13000mm
- Size: As Per Requirement
- Welding Line Type: Seamless,Welded
- Highlight: **316L 2205 Stainless Steel Pipe Tube, Seamless Stainless Steel Welded Pipe Tube, 2200mm Stainless Steel Welded Pipe**

Product Description

Product Description

Overview:

ASTM 316 stainless steel pipe is metastable austenitic stainless steel, so he has a complete austenitic structure when in full solution conditions. If the ASTM316 stainless steel pipe is processed through cold deformation, the strength and hardness of the steel can be improved, and enough plasticity and toughness will be retained. In addition to the above description, ASTM316 stainless steel pipe also has good rust resistance under atmospheric conditions.

Specification:

Outside Diameter	OD 0.28-1219mm
Thickness	0.08-100mm
Seamless Stainless Steel Pipes	1/8"NB to 32"NB IN
Production Process	Cold Drawn,Bright Anneal.etc
Type	Seamless,welded
Surface	Pickling,Bright
Price Item	EXW,FOB,CNF,CIF etc
Application	Pulp and paper equipment Heat exchangers, dyeing equipment, pipes, materials for the exterior of buildings in coastal areas, etc
Ends:	Beveled or plain end, square cut, burr free

Stainless Steel Seamless Pipe Chemical Component:

Chemical Composition about stainless steel pipe							
Grade	C ≤	Si ≤	Mn ≤	P ≤	S ≤	Ni ≤	Cr ≤
316L	0.035	0.75	2	0.045	0.03	10.00-15.00	16.00-18.00
316	0.08	1	2	0.045	0.03	10.00-14.00	16.00-18.00

Size table:

Conforms to ANSI B36.19 and ANSI B36.10 standards

FAQ:

Q: Are you a manufacturer or merely a trader?

A: *We are group of companies and owned manufacturer bases and trading company. We specialized in special steel which include alloy structural steel and carbon steel and stainless steel, etc. All material are with high quality and competitive price.*

Q: How do you guarantee the quality of your product?

A: *Firstly, we can provide the certificates from the third party, such as TUV, CE, if you need. Secondly, we have a complete set of inspection system and every process is checked by QC. Quality is the lifeline of enterprise survival.*

Q: Delivery time?

A: *We have ready stock for most of material grades in our warehouse. If the material don't have stock, the delivery lead time is about 5-30 days after receiving your prepayment or firm order.*

Q: What is the payment term?

A: *T/T or L/C.*

Q: Can you provide a sample for our testing before confirm the order?

A: *Yes. We can provide sample to you for approval before you place an order to us. Free sample is available if we have stock.*

Q: Can we visit your company and factory?

A: *Yes, warmly welcome! We can book the hotel for you before you come to China and arrange our driver to our airport to pick you up when you come.*
