Bright Stainless Steel Welded Pipe 2205 List Sch 80 316 1200mm

Our Product Introduction

for more products please visit us on stainless-steelseamlesspipe.com

Basic Information

- Place of Origin: Wenzhou,China
- Brand Name: ZHE HENG
- Certification: ISO9001,CE BV
- Model Number: ASTM306L JIS SUS316L
- Minimum Order Quantity: 500 kg
- Price: \$1000-4200/Ton
- Packaging Details: As to clients' requirements Wooden Cases Bundle Packin
- Delivery Time: 30-45 work days
- Payment Terms: L/C, T/T, D/P, D/A
- Supply Ability: 1000+

Product Specification

- Term Name: Stainless Steel Pipe
- Material Grade: ASTM306L JIS SUS316L
- Shape: Curved Pipe,Square Pipe,Rectangular Pipe
- Technique: Cold Rolled,Pickling
- Length: 1200mm Or 16000mm
- Size: As Per Requirement O.D 0.3~2.0mm
- Welding Line Type: Seamless,Welded
- Package: As To Clients' Requirements Bundle Packing Wooden Cases
- Highlight: **Bright Stainless Steel Welded Pipe,
Sch80 Stainless Steel Pipe,
316 Stainless Steel Pipe 1200mm**

Product Description

Product Description

Zheheng steel is one incorporate of manufacturer, Exporter ,consultant ,stockist company specialized in the area of stainless steel tubing , pipe fittings ,Flanges and other stainless steel grade accessories .

Overreview:

Stainless steel welded pipe and stainless steel seamless pipe can be cold processed - cold rolling (welding), cold drawing (seamless).

Cold-drawn stainless steel pipes have the following characteristics:

1. improve the surface, due to improve the surface finish and improve corrosion resistance.
2. further improve the dimensional accuracy of stainless steel pipe. After cold rolling or cold drawing with mandrel, not only the outside diameter accuracy but also the wall thickness dimension accuracy can be improved.
3. can produce smaller diameter, tube wall thinner stainless steel pipe.
4. Combined with solid solution heat treatment after cold deformation, mechanical properties can be improved.
5. can produce special size, special section of non-standard stainless steel seamless pipe.

Specification:

Outside Diameter	OD 0.28-1219mm
Thickness	0.08-100mm
Seamless Stainless Steel Pipes	1/8"NB to 32"NB IN
Production Process	Cold Drawn,Bright Anneal.etc
Type	Seamless,welded
Surface	Pickling,Bright
Price Item	EXW,FOB,CNF,CIF etc
Application	It is often used as a car frame and exhaust pipe to produce a variety of conventional weapons, gun barrels and shells.
Ends:	Beveled or plain end, square cut, burr free

Stainless Steel Seamless Pipe Chemical Component:

Chemical Composition about stainless steel pipe							
Grade	C ≤	Si ≤	Mn ≤	P ≤	S ≤	Ni ≤	Cr ≤
304	0.08	0.75	2	0.045	0.03	8.00-11.00	18.00-20.00
304L	0.035	0.75	2	0.045	0.03	8.00-13.00	18.00-20.00

Size table:

Seamless stainless steel pipes

Conforms to ANSI B36.19 and ANSI B36.10 standards

FAQ:

Q: Are you a manufacturer or merely a trader?

A: *We are group of companies and owned manufacturer bases and trading company. We specialized in special steel which include alloy structural steel and carbon steel and stainless steel, etc. All material are with high quality and competitive price.*

Q: How do you guarantee the quality of your product?

A: *Firstly, we can provide the certificates from the third party, such as TUV, CE, if you need. Secondly, we have a complete set of inspection system and every process is checked by QC. Quality is the lifeline of enterprise survival.*

Q: Delivery time?

A: *We have ready stock for most of material grades in our warehouse. If the material don't have stock, the delivery lead time is about 5-30 days after receiving your prepayment or firm order.*

Q: What is the payment term?

A: *T/T or L/C.*

Q: Can you provide a sample for our testing before confirm the order?

A: *Yes. We can provide sample to you for approval before you place an order to us. Free sample is available if we have stock.*

Q: Can we visit your company and factory?

A: *Yes, warmly welcome! We can book the hotel for you before you come to China and arrange our driver to our airport to pick you up when you come.*
