Pickling Seamless 316 Stainless Steel Pipe 100mm Truck Exhaust ASME S31600

Our Product Introduction

for more products please visit us on stainless-steelseamlesspipe.com

Basic Information

- Place of Origin: Wenzhou,China
- Brand Name: ZHE HENG
- Certification: BV, PED, ISO9001
- Model Number: ASMT316
- Minimum Order Quantity: 500 kg
- Price: \$1000-4200/Ton
- Packaging Details: As to clients' requirements Wooden Cases Bundle Packin Waterproof Paper Covered
- Delivery Time: 30-45 work days
- Payment Terms: L/C, T/T, D/P, D/A
- Supply Ability: 1000+

Product Specification

- Term Name: Truck Exhaust Pipe
- Material Grade: ASMT316 ASME S31600
- Shape: Rounde Pipe,Square Pipe,Rectangular Pipe
- Technique: Hot Rolled,Pickling
- Length: 2100mm Or 15000mm
- Size: As Per Requirement
- Welding Line Type: Seamless Welded
- Packing: As To Clients' Requirements Waterproof Paper Covered
- Highlight: **Pickling Stainless Steel tube Pipe, Seamless 316 Stainless Steel Pipe, Seamless Stainless Steel Pipe 100mm**

Product Description

Product Description

Overview:

316 stainless steel has good weldability. All standard welding methods can be used for welding. When welding, 316Cb, 316L or 309Cb stainless steel filler rods or welding rods can be used according to the use. In order to obtain the best corrosion resistance, the welded section of 316 stainless steel needs to be annealed after welding. If 316L stainless steel is used, post-welding annealing is not required.

Specification:

ASTM/ASME	ISO	USA	JAPAN	BRITAIN	GERMANY		CNS
UNS No.		AISI	JIS	BS	WERKSTOFF DIN		
S31600	20	316	SUS316	316S31	1.4401	X5CrNiMo17122	316
S31603	19	316L	SUS316L	316S11	1.4404	X2CrNiMo17132	316L

Outside Diameter	OD 0.28-1219mm
Thickness	0.08-100mm
Seamless Stainless Steel Pipes	1/8"NB to 32"NB IN
Production Process	Cold Drawn,Bright Anneal.etc
Type	Seamless,welded
Surface	Pickling,Bright
Price Item	EXW,FOB,CNF,CIF etc
Ends:	Beveled or plain end, square cut, burr free

Stainless Steel Seamless Pipe Chemical Component:

Chemical Composition about stainless steel pipe							
Grade	C ≤	Si ≤	Mn ≤	P ≤	S ≤	Ni ≤	Cr ≤
316	0.08	1	2	0.045	0.03	10.00-14.00	16.00-18.00
316L	0.035	0.75	2	0.045	0.03	10.00-15.00	16.00-18.00

Application

Pulp and paper equipment Heat exchangers, dyeing equipment, pipes, materials for the exterior of buildings in coastal areas, etc.

Mechanical Properties:

Grade	Tensile	Yield	%Age	Hardness (Max)	
	Strength Mpa, (Min)	Strength Mpa, (Min)	Elongation in 50mm gauge length min	BHN	Rb

FAQ:

Q: Are you a manufacturer or merely a trader?

A: We are group of companies and owned manufacturer bases and trading company. We specialized in special steel which include alloy structural steel and carbon steel and stainless steel, etc. All material are with high quality and

competitive price.

Q: How do you guarantee the quality of your product?

A: Firstly, we can provide the certificates from the third party, such as TUV, CE, if you need. Secondly, we have a complete set of inspection system and every process is checked by QC. Quality is the lifeline of enterprise survival.

Q: Delivery time?

A: We have ready stock for most of material grades in our warehouse. If the material don't have stock, the delivery lead time is about 5-30 days after receiving your prepayment or firm order.

Q: What is the payment term?

A: T/T or L/C.

Q: Can you provide a sample for our testing before confirm the order?

A: Yes. We can provide sample to you for approval before you place an order to us. Free sample is available if we have stock.

Q: Can we visit your company and factory?

A: Yes, warmly welcome! We can book the hotel for you before you come to China and arrange our driver to our airport to pick you up when you come.
